

# Opening Day Ascot

The grey skies were more akin to Melbourne but nothing could dampen the spirits of the thousands who turned out for the Crown Perth Opening Day of Ascot. Fabulous fillies and fast fashion abounded for the State finals of Myer Fashions on the Field, where Kate Watts was awarded top honours in a dress by & Other Stories, Kookai necklace, PeepToe clutch and Asos shoes finished off with gloves bought in the UK and headpiece by Reny Kestel. The day also was a celebration for WA racing with the unveiling of the bronze sculpture to honour champion Northerly. Seen among the punters were Perth racing chairman Ted van Heemst, Terry Waldron, Barry Felstead, Denise Cheir, Kylie Radford, Reny Kestel, and Rick Hart and Lesa Hinchliffe.
